■ ANALYST NOTE — CC WINDOW DRESSING PATTERN DETECTED: On 31-Oct-2024 (last working day of month), CC repayment of Rs. 51,00,000 was made, reducing the outstanding to near-minimum. This pattern has been observed in 4 of the last 6 months. This may indicate deliberate management of OD balance on bureau reporting dates. Recommend verification of Nov-2024 re-drawdown pattern.
